

**RESIDENTIAL FENCE  
PERMIT APPLICATION**

Property Owner (Applicant): \_\_\_\_\_

Property Address: \_\_\_\_\_

Phone: Home (\_\_\_\_) \_\_\_\_\_ Cell (\_\_\_\_) \_\_\_\_\_ Work (\_\_\_\_) \_\_\_\_\_

I. Survey (1 Copy).

- I have enclosed a plat of survey, with lot dimensions, locations of buildings, streets, and any recorded easements shown.
- I have located the lot markers and marked them for the inspector.
- I have drawn the proposed fence placement and it is not closer than 6" to my lot line.

II. Sketch of fence.

- I have included a sketch of the proposed fence showing the proposed height and style of the fence. I understand that the maximum height of a fence in side yards and back yards is **six feet** measured from the grade at the fence. I also understand that the maximum height of an Ornamental fence located in front yards is **four feet** measured from the grade at the fence and has a minimum of 50% opacity (see through).

***Note: Corner lots have two "street yards". This restricts the two street yards to Ornamental Fences Only. A maximum fence height of four feet is permitted in street yards.***

III. Zoning Permit Fee.

- \$75 to City of West Bend.
