(c) "Record" has the meaning specified in sec. 19.32(2), Wis. Stats.

(d) (Am. Ord. #2635 – 10/6/08). "Requester" has the meaning specified in sec. 19.32(3), Wis. Stats.

(2) STATUTORY REFERENCE. This section is supplemental to the statutory provisions governing public records and property in Subchapter II of Ch. 19, Wis. Stats.

(3) LEGAL CUSTODIANS.

(a) Each elected or appointed official is the legal custodian of his or her records and the records of his or her office, but he or she may designate an employee of his or her staff to act as legal custodian.

(b) Unless otherwise prohibited by law, the city clerk or the clerk's designee shall act as legal custodian for the council and for any boards, commissions, committees or other authorities created by ordinance or resolution of the council.

(d) Each legal custodian under this subsection shall designate a person to act as legal custodian in his or her absence. This paragraph does not apply to the council.

(e) The designation of a legal custodian does not affect the powers and duties of an authority under this section.

(4) **LIMITATIONS ON ACCESS.** If a legal custodian considers a record to be exempt from disclosure in whole or in part, he or she shall without delay refer the request and record to the city attorney for his or her advice, citing any grounds for denying public access and specifying any need to restrict access at the time the request to inspect or copy is made. If a legal custodian considers a request for a record to be insufficient because it is without a reasonable limitation as to subject matter or length of time represented by the record, he or she shall without delay refer it to the city attorney for his or her advice.

(5) **FEES FOR ACCESS TO RECORDS.** A requester shall be charged the following fees to defray the cost of locating and copying records:

(e) An authority may require prepayment by a requester of any fees imposed under this subsection if the total amount exceeds \$5.

(1) **POLICY.** It is the policy of the City of West Bend that all public records of the city be permanently preserved except where destruction is permitted under this section. They shall be familiar with the requirements of state and federal laws and regulations pertaining to the preservation and destruction of records in their custody.

(5) **DESTRUCTION PROHIBITED.** Destruction of a record is prohibited if it is not obsolete or if litigation is pending concerning its subject. An unresolved claim is considered pending litigation. No record shall be destroyed if its legal custodian or the city attorney determines there is a reasonable possibility of litigation concerning its subject. No record shall be destroyed after receipt of a request for access to it until after the request is granted or until at least 60 days after the date the request is denied, except as otherwise provided in sec. 19.35(5), Wis. Stats.

(6) **NOTICE.** Prior to the destruction of any records under this section, at least 60 days' notice shall be given in writing to the State Historical Society of Wisconsin unless a previous waiver has been obtained for that particular category of records. Legal custodians shall file a copy of each waiver obtained with the city clerk.

(7) **STANDARD RETENTION PERIOD.** A legal custodian may destroy an obsolete record no sooner than 7 years after its creation, except water stubs, receipts of current billings and customer ledgers of a public utility may be destroyed no sooner than 2 years after their creation, unless a different retention period has been fixed pursuant to sec. 16.61(3) (e), Wis. Stats., or any other provision of law. In addition, a legal custodian shall consider the recommendations of professional records management associations pertinent to records in his or her custody if they require a longer retention period than this section.

(8) **TAPED OR DIGITAL RECORDINGS** (Am. Ord. #2589 - 4/10/06). Sub. (6) does not apply to this paragraph.

(a) Meetings. Any taped or digital recording of a meeting by any city governmental body may be destroyed no sooner than 90 days after the minutes have been approved and published if the purpose of the recording was to make minutes of the meeting.

(b) Protective Services. Any taped or digital recording of protective services incoming and outgoing telephone line and radio frequency communications may be destroyed no sooner than 120 days after its creation.
